

Why does high-resolution climate modelling matter?

Interested in extreme weather and climate? Come along!
Together, we will assess the added value provided by high resolution climate modelling and see how the PRIMAVERA project could better support European climate risk assessment.

WHEN

Thursday, 12 Apr, 10:30-12:00 / Room 0.15

"You are a guest of nature - behave."
Friedensreich Hundertwasser

**European Geosciences Union
General Assembly 2018**

Vienna | Austria | 8–13 April 2018
